# TENNESSEE MOUNTAIN RETREAT

Discover an extraordinarily rare Tennessee Mountain estate, offering ample space across 196 acres and enhanced by a luxurious, comfortable, architecturally designed post and beam home built with the finest materials and thoughtful craftsmanship. This one-of-a-kind lodge home offers more than 6,000 square feet of living space coupled with a multi-use bank barn spanning 3,636 square feet. The opportunities presented by this space are endless: indulge your equestrian ambitions, host your most unforgettable events, or create a unique living space. With its premium location and boundless potential, it is an opportunity unlike any other.
